YEARS

2023-24 Highlights

Lives you transformed in 2023

450+ hours of therapeutic exercise

96 children rebuilding their strength and endurance to help manage the aftereffects of cancer treatments during 450+ therapeutic exercise sessions

120 counselling and child life hours

48 kids and parents benefitting from 120 hours with our registered social worker and child life specialist, developing healthy coping skills and problem solving

12 post-secondary scholarships

12 childhood cancer survivors pursuing their dreams with the help of a Derek Wandzura Memorial Scholarship at a post-secondary institute of their choice

1,400+ tutoring hours

72 kids developing learning skills and strategies during 1,400+ hours of one-to-one tutoring support

14,000+ volunteer hours

275 volunteers giving 14,000+ hours to make our mission possible, saving us \$378K or the equivalent of 7+ full-time positions

Lives you transformed in 2023

20+ patients receiving CAR T Cell therapy

20+ patients enrolling in a Canada-wide phase I clinical trial testing a novel CAR T Cell therapy on ASPS and other cancers

18 teens developing transferrable life skills

18 teens developing leadership skills, volunteering, and raising funds to make the world a better place through our Teen Leadership Program

1 DIPG vaccine showing promise

1 DIPG (fatal brain tumour) vaccine approved by Health Canada and showing promise in a phase I clinical trial

358 kids rebuilding their lives

358 kids building new friendships, developing transferrable life skills, and emotional resilience at summer camp

888 happy campers

888 kids and parents benefitting from much-needed time in nature during our year-round camp programs
