

## HAVE YOUR WILL WRITTEN FREE OF CHARGE

Kids Cancer Care is offering amazing supporters like you **the opportunity to have your will written or updated through our partnership with the Canadian Free Wills Network Service free of charge\*** The process is easy. The network service provide a list of qualified lawyers near you and you contact one of the lawyers directly. There is no obligation to include a gift to the Kids Cancer Care Foundation of Alberta in your will; however, we sincerely hope you choose to do so. We believe that, with the support of dedicated individuals like you, children and families facing childhood cancer will continue to find the help they need here at Kids Cancer Care until childhood cancer is eradicated.

### **What is the Canadian Free Wills Network?**

The Canadian Free Wills Network enables highly respected Canadian charities to offer their supporters the opportunity to **have their will written or updated free of charge\*** through a local lawyer or notary.

### **How does the program work?**

Charities subscribing to the Canadian Free Wills Network offer the service to their loyal supporters. Those who are interested notify the charity that they wish to use the service to write or update their will. The Canadian Free Wills Network then writes to those supporters with a list of the local law firms and notaries in the network, so you can choose one and book an appointment with them directly.

If you decide to take up this offer, **you are not obligated to leave a charitable gift in your will;** however, we hope that you will see this program as the perfect way to satisfy your estate planning objectives and looking after your loved ones, while supporting Kids Cancer Care.

Having drawn up your will, the lawyer or notary will ask for a confidential declaration form to be completed. This enables Canadian Free Wills Network to produce an accurate report for the charities involved in the program.

### **Do the charities get a copy of each will?**

**No. The only information that is sent to Kids Cancer Care is what you share on a confidential declaration form.**

### **What happens if I want other legal work done?**

Canadian Free Wills Network covers the writing and updating of 'simple' wills as defined by the lawyer concerned. **Where your will is more complicated, you can pay the lawyer for the extra work.**

### **Who is the program open to?**

Individual supporters or couples who are contacted by a participating charity. This opportunity is not available to the general public.

Please contact **Karen Kaufmann** at **403 930 6953** or via [email](#) if you wish to participate in the Canadian Free Wills Network opportunity, are interested in receiving a detailed Planned Giving Information Package or have any questions or concerns. Don't miss out on this limited time offer!

***\*The free network service pays for simple wills as defined by the drafting lawyer. There are provisions if your situation requires a more complex will.***
